**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic because they provided exceptional pricing for fiber gigabit internet service. Broadband high speed service is critical for home with multiple user and services (video, music, tv, computers and associated devices like cellphones). Comcast and AT&T service offerings are weak and expensive.
